**A REPORT**

Role of Information Centre in Teaching Learning Process organized by Sant Savta Mali Gramin Mahavidyalaya, Phulambri, Dist. Aurangabad, was aimed at achieving cross-fertilization of ideas among members of disparate disciplinary areas and professional groups but who, nevertheless, are in some way or the other concerned with 'LIS Teaching and Learning Process'. Indeed there are several perspectives, viewpoints and approaches. Therefore, the organizers thought that the way forward is to provide a forum for exchange of ideas and meaningful dialogues to enable further studies and research. The conference is a first step in this direction and it is our firm belief that it would encourage similar events facilitating inter-disciplinary and multi-disciplinary approach to issues related to LIS Teaching and Learning Process.

**Inaugural Session**

Principal's Message.....

Dr. Subhash Takle  
Principal

Indeed it's a great pleasure for me that our Department of Physical Education and Department of Library Science is organizing one day national conference on "A Holistic Approach to Enhance Human Knowledge, Performance & Health through Sports & Library Sciences" on 24<sup>th</sup> Feb. 2019. Our one of the best rural colleges in the vicinity of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad with the Ideal Examination Centre Award, Best Rural Team Award, Best NSS Unit & Programme Officer Award and Vasundhara Mitra Award for preserving and maintaining more than two thousand trees in the college premises. College is committed to provide quality education and to develop overall personality of the rural youth to face the day by day increasing competition on the basis of merit, generosity and equality. Ability to face the education is the core aspect of the college on the basis of which students would be able to face any challenge throughout their life. College is having four acres of spacious campus with separate departments and class rooms. Very young, dynamic, talented and devoted teaching and non teaching staff is the greatest asset of the college. 12 faculty members are Ph.D. Scholars and 6 faculty members are Research Supervisors. In the year 1977 college came into existence and within a very short span of time achieved name and fame as an institute of repute for providing discipline and morality among the students. Recently our college was accredited by NAAC with 'B' Grade.

I am sure that the main theme and sub themes will be widely discussed and there will be meaningful interaction and exchange of information during the course of the conference and participants will richly benefit from it. I offer my best wishes for the conference.

Editor Message.....

Dr. Ganesh Kulkarni  
Convener

Library, being a trinity of man, machine and material always needs to be managed for providing better services to its readers. Since long the library professionals are trying to develop their management techniques for better performance. Earlier the libraries are managed by using manual methods of library activities. Nowadays the concept has been changed the working patterns which in turn changed the management techniques. In this light, our college organized the National Conference on the "Role of Information Centre in Teaching Learning Process" on 24<sup>th</sup> Feb. 2018 to make available a platform to librarians, researchers, personnel, students and other stakeholders to have healthy interaction and knowledge addition in the field of Library Sciences were given. I am proud to state that we got overwhelming responses from the researchers all over India. The papers included in this Special Issue of Journal deal with a wide range of studies such as Role of Libraries in Research, Web Based Library Services, Web 2.0, Library Networking, Open Sources Software, E-Resources and Initiatives of Digital Libraries in India. I hope that this issue will definitely be appreciated by the readers and it will provide a wide spectrum about different areas of Library and Information Sciences. I take this opportunity to extend my gratitude towards Hon. Shri Haribhai Bagde (Member, Maharashtra State Assembly, Govt. of Maharashtra & Chairman PDUES), Shri. Sayansunder Naik, (Secretary Pandit Bhendayal Upadhyay Education Society), Dr. Anurupa Thombre, (Trustee, PDUES) for their motivation and support.

My special thanks to Principal of our college Dr. S.R. Ingle, Convener Dr. Sandeep Jagtap, Dr. Pandurang Kalyankar, Prof. Vijay Pande, Dr. Sanjivkumar Panchal, Dr. RamiKishan Joshi, Dr. Mahesh Thorat, Dr. Ashwin Raynikar, Prof. Nitin Melegaonkar and all the organizing committee members, non-teaching staff for their efforts in organizing the conference. Last but not the least, I am thankful to the eminent resource persons, participants, paper presenters for their contribution in making the conference a grand success.
