Academic year

2020-2021

Department of Botany

Department of Botany

In our college there are five Departments of B.sc. Department of Botany is one of the finest department of our college. In the academic year 2020-2021 we have to conduct online lecture due to COVID-19 outbreak. Because of this difficulty we have conducted practical online on Google Meet. We have successfully conducted online exam.

- **Interact with students with the help of WhatsApp group:**

Due to the outbreak of COVID-19 pandemic Dr. Babasaheb Ambedkar Marathwada University, Aurangabad formed a whatsapp group to communicate with the students of the previous year till the academic year 2019-2020 students took the exam in Oct-2020.

- **Separate Group:**

Students admitted to college in the academic year 2020-2021 could not attend the college due to the outbreak covid-19. Therefore, in this academic year 3 separate group of students admitted in B.Sc First, Second & Third years were formed & information on the subject was sent to them links to online classes conducted during this academic year. Also regularly sent to the group as well as important educational suggestions.

- **Online Teaching Work:**

Due to the fact that students are not able to attend classes for many days in the academic year 2020-2021, Students should be able to do lectures even without actually attending college for this the courses was taught to the students by organizing lectures with the help of zoom app.

- **Survey on the use of digital educational materials:**

Thirty students participated in an online survey conducted by the department on the use of digital educational materials during the lockdown period.

- **Student's seminar with the help of Zoom app:**

Seminar is very important for the development of students. Students get confidence for teaching & also go through syllabus which helps in exam to get good scores; our student was enthusiastically participated in delivering the seminar on various topics of Botany.

- **Creating educational materials for Students:**

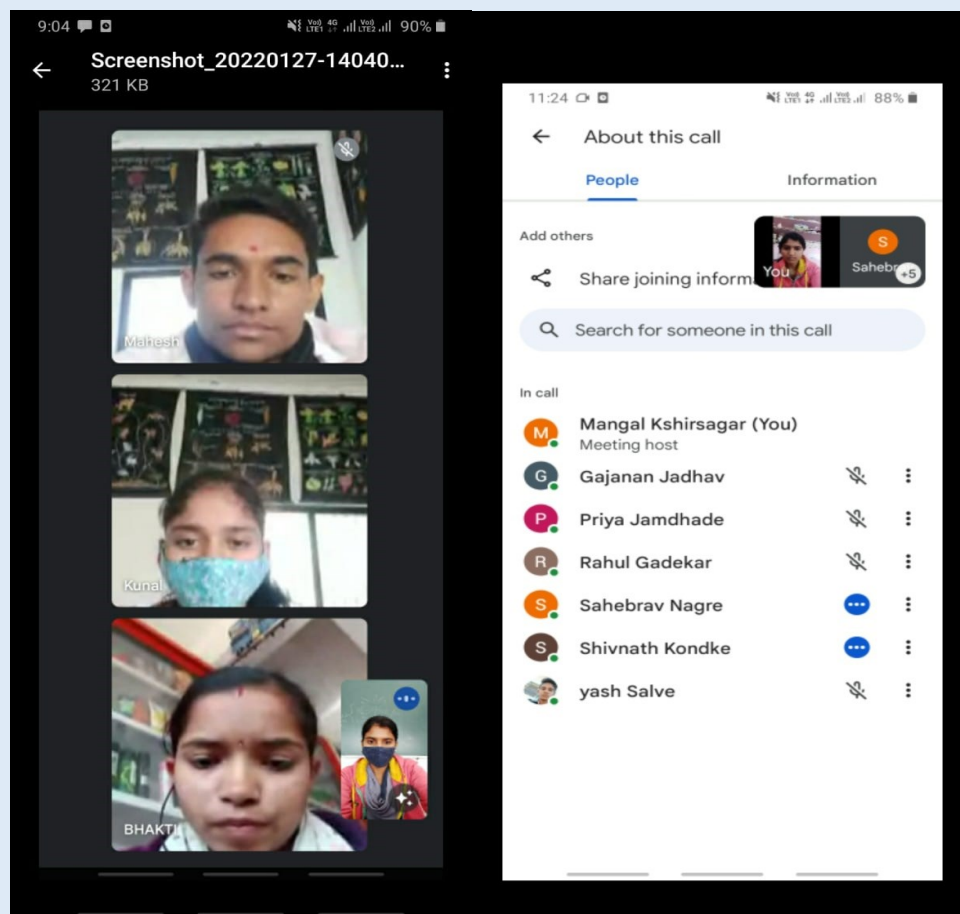

Due to the outbreak of Covid-19, Students could not attend college. BSc First, Second and Third year students were sent 60 multiple choice questions of each subject for practice and also notes on each subject were sent.

- **Conducting online practice tests:**

Google quizzes was created with the help of Google forms to enable students to check & improve their own subject knowledge & links to these practice tests were sent to students on their whatsapp group to practice. With the help of that practice test student have scored good marks in the university exam.

- **Practical Exam:**

Till 2019 our college practical exam had conducted in Botany Lab but in pandemic time we have conduct practical online. Practical journals sent to the mail by the students in PDF format.

Student's Attend Online Lecture
