She said that the qualities of a successful Industrialist or Businessmen are develop in his struggling period and that period is laid in student life. The habit of taking small responsibilities on our shoulder and carried out it successfully teaches us a lots of things which are beneficial for our future profession or career. And that is what commerce club does for the students of commerce department. Mr. Rajendra Suryawanshi the famous industrialist was present their as a Chief Guest of the Program, he also guided the students on how to develop the industrial skill. He said that every human being is businessman, give and take is business but while doing this receiver and giver both should be satisfied and that is the aim of business. Businessman never sale the product, he sale the satisfaction through the solution of the problem of consumer. Always try to find out the solution to the problem of people, those people would be your prospectus customer, if you satisfy them at a lowest exchange value.
