INAGURATION OF COMMERCE CLUB

on

16th August 2024

Department of commerce has formed Commerce Club for the overall the development of the student. Without the implication of knowledge there is no use of any education. To satisfy the particular need every one has to take some extra effort. If we talk about the students, they should read additional materials like books, new paper. Keeping in mind the above things department of commerce established Commerce Club. Those students are always engaged in some co-curricular activities which are beneficial for the overall growth of student to build better career foundation. Activities like wall poster making, reading newspaper and make the cuttings of important news and article and stick it in the file, planning and execution of educational excursion.

The establishment and inauguration of Commerce Club is taken every year in the department of commerce. So, this year also department established the Commerce Club and organised an inauguration programme on 16th August 2024 in the auditorium hall at 10.30 am. For this '**Commerce Club Inauguration function**' **Dr.SatykumarRathi** -Associate Professor, Department of Commerce,Moreshwar College Bhokardan, Dist. Jalna were the inaugurator. And Dr. Manoj Pagare - Associate Professor, Department Commerce, Sidhhart College, Jafrabad were the chief guest for the above said programme.

At the beginning of the '**Commerce Club Inauguration function**' Dr. Mahesh Thorat- Head, Department of Commerce of the host college delivered the introductory speech. In his speech he explained the history and strength of the Commerce Department. He also asked students to listen the guest peacefully and grab the opportunity to collect the knowledge.

Inaugurator Dr. Satyakumar Rathi Said in his inaugural Speech, that the students of commerce faculty should take the benefits of this faculty, as this is the best faculty in traditional education. This Commerce faculty gives you the best career opportunity compared to all other facilities. Students should increase their additional readings supportive to the syllabus of B.Com. Chief Guest Dr Manoj Pagare said in his speech that the students of commerce faculty are the future pillars of the economy as they are the futuristic businessman. But to shape them as businessman: students should go through the process that lies in these student lives and in college life. We should get some work experience along with this education. Otherwise you will become a corporate slave. So study well and work hard.

Initially the guest was felicitated and then the members of commerce club were felicitated by the guest. A wall poster composed by the member of commerce club has been published by the auspicious hands of the guest.

At the end of function Mr.Arjun Shejul expressed vote of thanks. Dr.Nitin Malegaonkar successfully carried out the responsibility of anchoring. 30 students were present for this program.

On March 8, 2025, the students of the Commerce Department of the college were taken on a trip to the '**Devendra Agriculture and Dairy Expo 2025**' held in Phulambri. The event was organized by the Mayor of Phulambri, Mr. Suhasbhau Shirsat, and the MLA of Phulambri Assembly Constituency, Mrs. Anuradhatai Chavan. The expo featured a wide array of exhibits related to agriculture and dairy, including advanced machinery, irrigation systems, well and bore pumps, tractors, quality seeds, animal feed, solar-powered devices, and modern agricultural tools. Several stalls also offered books of detailed information on farming techniques, and guidance on various government schemes designed to support farmers.

Students were accompanied by Dr. Mahesh Thorat, Head of the Commerce Department, along with Dr. Nitin Malegaonkar and Dr. Pandurang Kalyankar from the Economics Department. The faculty members guided the students through different stalls, explaining the practical uses of the equipment and discussing the production, marketing, and sales strategies behind each item. The interaction with exhibitors gave students a real-world understanding of profit margins and the importance of technological integration in farming.

As most students belong to farming families from Phulambri taluka, the visit was especially relevant. It provided them with practical knowledge that can be directly applied in their own lives. The students showed great interest, asked insightful questions, and gained valuable perspectives on agriculture from economic, technological, and business angles.
