## *Annual Report 2017-18*

### **1) Skill Development :-**

On 23<sup>rd</sup> September 2017 Department of Career and Placement Cell conducted the Guest Lecture of Mr. Sandeep Sawant. Mr. Sandeep Sawant guided the students on the topic of “Skill Development”. In this lecture he explain lots of opportunities available to the skilled man, now the world is driven by technology, everyone should adopt latest technology in every field , on that basis we can earn our bread and butter. The ability to use the technology and our own qualities is the skill. Those skills could be developed in a systematic training programme. Those trainings which develop the skills are conducted by the Government of India under skill development programme. For this lecture the students of B.Com. and B. A. were present
