Chhatrapati Sambhajnagar Ajanta Educational Institute's Pandit Jawaharlal Nehru College, Chhatrapati Sambhajnagar and MitraSadhana Shikshan Prasarak Mandal's Rajarshi Shahu Arts, Commerce and Science College, Pathri and sponsored by PradhanMantri Uchhattar Shiksha Abhiyan (PMUSHA). A two-day national conference on the topic "History, Politics, Society and Culture of India" was organized on 28 February and 1 March 2025.

**Day one | 28 Feb. 2025****Registration: 9:00 - 10:00**

Participants of the conference registered between 9 to 10 am.

**Inauguration Session: 10:30 - 12:00**

The National Conference was inaugurated on 28th February 2025 by Dr. Sharad Hebalkar (Retired Professor and Former Secretary, Itihas Sankalan Youjna, New Delhi). Dr. Sanjay Moon, Principal of Pandit Jawaharlal Nehru College, present as a Chief Guest for this session. Inauguration session of conference was presided by Shri Nivruti Gawande, Secretary of Pandit Deendayal Upadhyay Shikshan Sanshta. Principal of the college, Dr. S. R. Takle explain the role of conference organization. The Head of the Department of History, Prof. Vijay Pande, presented the aim, objective and importance of Conference. From all-over India 162 research scholar registered and submit their research papers for the conference. It was published in the well-known international research peer-reviewed journal namely "Power of Knowledge"

ISSN NO. 2320-4494 with Impact Factor 2.7286, in inaugural session of conference by the dignitaries.

Speaking as the chief guest, Dr. Sanjay Moon said that the record of the Buddhist Conference is the first record of conference in the history of our country. The history of this country is the history of natural philosophy. This is being presented by scholars and researchers here. The promoter of all these matters is the teacher. Therefore, it is expected that the work of recording history and social culture will be done properly.

Speaking as the inaugurator and keynote speaker of the conference, Dr. Sharad Hebalkar said that as teachers, we have the responsibility to find answers to the questions of society. Because a teacher never bends, gets tired, or sells. While presenting history by referring to spiritual books, Hebalkar said that India's history has been one of struggle. But how we became slaves of others has been imprinted on our minds. That is, the real history has not yet reached us. Because we should remember that the attacks in history were not on the country but on people. He further said that why should we learn history, what should we take from it? He expressed that history will have to be reconstructed. Only when we have a sense of something, the interest of the nation or society is checked at that time, not otherwise. We have to properly organize traditions and sects and convey its conclusion to the society, only then will the real history come to light. But this does not seem to be happening. History has political and social consequences. Therefore, historical research does not seem to be done systematically. Also, it is necessary to consider how each aspect of history will be updated, thus presenting the scope and limitations of history.

The inaugural session was concluded by the secretary of the Pandit Deendayal Upadhyay Shikshan Sanstha, Shri Nivruti Gawande. We should

learn from the historical events of the past in the present. That is, we should learn from history, he asserted in his presidential address. Dr. Sarjerao Bansode, Head of the History Department of Pandit Jawaharlal Nehru College, thanked the dignitaries present for the inaugural session.
